Range (NA)	Grade	Grades	Weight	Catagories
≥ 85		A	4	Excellent
77,5 - 84,9		B+	3,5	Very Good
70 - 77		B	3	Good
62,5 - 69,9		C+	2,5	Fairly Good

 - Participation (PS) 10% - Homework/Assignments 50% - Mid Semester Exams (UTS) 15% - Final Semester Examination (UAS) 25%
- 3) If there are courses besides lectures that also carry out practicum or other practical field work, then the components above are adjusted to the weight of the credits and the practicum and or field work carried out (1 credit = 20-25%).
- 4) The value for participation is given based on the level of attendance of students attending lectures, activities in class, and other activities in participating in class exercises.

- 5) Grades for homework are given based on the lecturer's assessment of doing homework either in the form of examples of exam questions, papers, translations, or other assignments.
- 6) Midterm and final semester exam scores are determined by the lecturer based on the results of the midterm and final semester exams which are conducted on a scheduled basis and coordinated by each faculty.
- 7) The TL score that was previously K, can be given if the student does not attend lectures or attendance is less than 75% or does not take part in practicum/response or does not take the Semester Final Examination. TL score = 0 (zero) and the student concerned cannot do the Intermediate Semester for that course

Social cultural visa

The socio-cultural visa is a one-time entry visa. This means that once the applicant goes abroad (outside Indonesia), the visa will be terminated. So, students have to apply for another visa to enter Indonesia. This visa is valid for 60 days and can be extended up to four times (depending on the period of study and letter of acceptance). However, students should check other requirements as requested by the embassy or consulate general. After completing the document requirements, students can apply for a Socio-Cultural Visa to the nearest Indonesian Embassy or Indonesian Consulate. If granted, the embassy will provide a visa sticker which will be stamped after the student passes through the Indonesian immigration center at the airport. Students can extend the Socio-Cultural Visa at the immigration office and get another 30 days of stay.

Requirement:

- a. Letter of Inquiry Issued by UMA
- b. Letter of Acceptance
- c. Sponsors

Student Visas

For students staying more than 6 months, it is advisable to apply for a Student Visa. The Student Visa is valid for 30 days upon arrival and must be converted to a KITAS (Limited Stay Permit) upon arrival. Before the visa is changed to KITAS, the status is a single-entry visa. Students are not allowed to move to another boarding house or apartment and go abroad before getting a KITAS. Then, after their KITAS is issued, Visa status becomes Multiple Re-Entry Permit. The Multiple Re-entry Permit allows the applicant to go abroad and return to Indonesia without issuing another visa as long as the validity of the KITAS itself. Immigration officers at the airport will see your KITAS or KITAS stamp and they will allow you to enter Indonesia easily. For each program, UMA will attach a google form link in the Acceptance Letter or Invitation Letter. So, students can submit all necessary documents related to study permit and telex

visa application. Study permits and telex visas are applied for by UMA and can take 4-5 weeks. After the process is complete, UMA will send it to students. In order to issue a Student Visa, students must bring their original passport, letter of acceptance, telex visa, study permit and sponsor ID to the specified Embassy or Consulate General of the Republic of Indonesia as stated on their Telex Visa
